ÖVRIGA OBSERVATIONER:

Udden:

Rödbena 6, tobisgrissla 2 (SSL, MEL, HAN, JSH)

Gravfältet:

Rödglada 2

DIVERSE:

Today JMS left the cape for a well-earned vacation! See you at the VADA-season!

During the day there was a HLR-course held in Naturum for both the Naturum and Naturbutik staff. During the evening JSH went to hang out with her parents and eat some nice food. SSL made herself some dinner. The highlight of the day was the schinzii chicks being released!
