DIVERSE:

Gustav held his first summerguidings as well as having his first shift in the bookstore as a lunch-person. He did a very good job!! 2/2 guidings were held.

Madde held her first "Seal and Bird"-tour in Naturum and it went good.

During the day Hannes put in some big effort in cleaning all of the station which was really appreciated by everyone here. He then left the station during the afternoon.

Julia decided to take another run in the evening.
